About This Content

Special Halloween-themed Skin for Grey Goop DLC Monster!

Kaiju-a-gogo is a strategy/action title featuring GIANT MONSTERS. The player takes on the role of a fledgling Mad Scientist who has built the first human-controlled Kaiju in the world. While your rivals race to catch up with your genius and build their own Kaiju to compete with you, you have a five-year-window to use your Kaiju to achieve TOTAL WORLD DOMINATION.
(requires the Grey Goop DLC, 'natch)
