All payments are processed securely and we never store your card details. Our Secure Server Software (SSL) provides the highest level of security when you place an order online. Your payment is protected by the Cybersecure server software. (Important) Please double check the product details before ordering. The serial number is already assigned to a license. You can not re-assign the serial number. If you are unable to remove a serial number and get a refund, please contact our technical support. What are the payment methods we accept? You can pay by PayPal or credit card (visa / mastercard). We do not charge any fees for accepting card payments, but there are fees for credit card processing. These fees are around 1.4% of the total amount and you will see them on your receipt, or in your PayPal receipt. If you decide to pay with PayPal, the credit card information will be provided directly to PayPal to authorize the payment. Can I use a credit card if the product is not in stock? If the product you want to buy is not in stock, then you need to buy it in advance. Then, you can pay with PayPal or your credit card. We accept PayPal but not credit cards. How to pay by PayPal? You can pay by using PayPal. You do not need a PayPal account to pay by PayPal. You can pay by using your credit card or bank account. The transaction can be made using the following method: 1. Open a PayPal account If you do not have a PayPal account, then you can create a PayPal account on PayPal.com You must pay with a debit card. This debit card must be from the same country as the billing country of the PayPal account. You can pay with a credit card if you have the proper authorizations and the same card can be charged more than once. If you use a debit card, you will see the full amount in the PayPal receipt. 2. Log in to your account Login to your account Click on the "Pay Now" button on the page Click on the PayPal button on the page In the menu, choose "Log in using your PayPal account" Enter your PayPal email address and password If you do not know your PayPal 82157476af
